Physics 1103 Course Videos

Throughout the semester, six 50-minute videos relating to the course material are assigned.

DVDs of the 6 videos are available at the reserve desk of the Science and Engineering Library.

- DVDs can be checked out for 2 hours.
- OSU student ID is required.
- Bring your own earphones.
- The Science Library reserve desk is open daily between 8:00 am and 11:00 pm.

Consult the course syllabus for the video titles.

A page of questions for each video in Part II of the 1103 Activity Book help you take notes. (Students do NOT turn these questions in.)

One multiple choice question for each video will be included on a course exam: Videos 1 & 2 on Midterm I, Videos 3 & 4 on Midterm II, and Videos 5 & 6 on the final exam.
